14:45 – 15:15 In front of plenary hall 21  
**Break**

15:15 – 16:00 Plenary hall 21  
**The project funding scheme**  
This presentation will also include information on how to write a proposal.

16:00 – 17:00 Reception hall, Wildhainweg 3  
**Information stands**  
Representatives of the different SNSF funding schemes will be available to give you personalised advice.

The Swiss National Science Foundation (SNSF) welcomes advanced researchers (postdoc level and higher) from all over Switzerland to its head office in Bern with the aim of informing them about the different SNSF funding schemes and offering them personalised advice.

The presentations will be in French with PowerPoints in English. Participants will be able to discuss and ask questions in English as well.

Do not forget to register online (attendance is limited):
